On October 28, 2004, we, the American Academy of Ophthalmology Inc Political Committee (OPHTHPAC), filed FEC Form 24, a 24 Hour Notice Schedule E, with the FEC (Filing ID: FEC-148794.) Following are the details of the report:

Vendor: Todd & Castellanos Creative Group LLC

Description of the expenditure: Bulk Mailing

Date of the expenditure: 10/27/2004

Amount Expended: \$26,685.17

Federal Candidate supported by the expenditure: Melissa Brown

Upon receiving correspondence from Todd & Castellanos Creative Group LLC, we realized that the amount of the expenditure was \$2,000.00 more than what was reported. Therefore, the FEC Form 24 that was filed on October 28, 2004 should have reported the Amount Expended as \$28,685.17.

Our Post-General Report, to be filed on December 2, 2004, reflects the correct amount of the Independent Expenditure.
